GSA

OSP/Symphony Webinar

August 23, 2023

2:00pm EDT

Welcome

- **Purpose**
  - Demonstrate how Offerors will use the OASIS+ Submission Portal (OSP) to build and submit their proposals to GSA.

- **Today's Webinar (Overview)**
  - Opening Participant Poll
  - Announcements – 8/22/2023 posting
  - **OSP Demo** – with topic-based participant polls
  - Q&A – After demo is completed
  - Closing Participant Poll
  - OSP Resources

- **Next Steps**
  - Register for additional OSP webinars (if needed)
  - Complete short post-webinar survey
  - Build your proposal(s) in OSP/Symphony

These slides will be distributed during today's webinar.
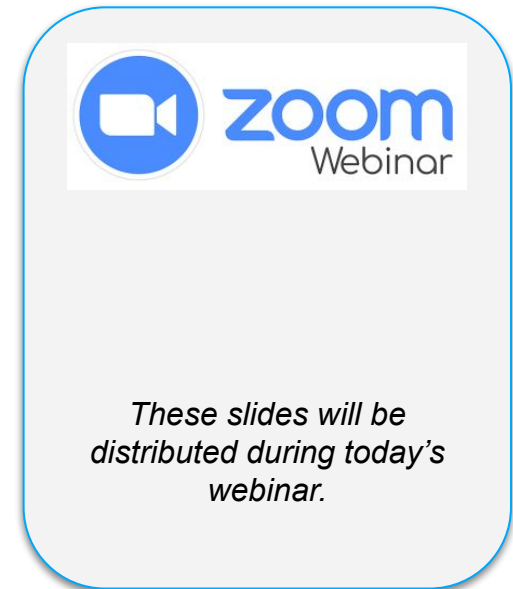

Opening Participant Poll Results

1. Do you need assistance with registration in Symphony? (Single Choice) *

536/536 (100%) answered

I've already registered (470/536) 88%

Yes, I need additional help (19/536) 4%

Not sure (47/536) 9%

2. Which of these areas would you be most interested to see in the training session (Single Choice) *

536/536 (100%) answered

Tagging (169/536) 32%

How to add prime contractors and staff; (46/536) 9%

How to claim FEPs and QPs (Performance Factors)/ho... (293/536) 55%

How to un-submit a proposal (28/536) 5%

3. Have you logged into Symphony and started to build your proposals? (Single Choice) *

536/536 (100%) answered

Yes (375/536) 70%

No (132/536) 25%

N/A (29/536) 5%

Announcements – 8/22/2023

Description [View Changes]

August 22, 2023: Thank you to our industry partners for attending the OASIS+ Submission Portal (OSP) training webinar on August 16. Today, GSA's Office of Professional Services and Human Capital (PSHC) released the webinar recording (see link below) and presentation (see attachment below) for your information and reference. These resources are attached to all six OASIS+ Request for Proposals (RFPs) on SAM.gov and on the OASIS+ Interact Community.

Amendment No. 2 Recap – Video Recording
A video recording reviewing the solicitation updates made in Amendment 0002 will be released via SAM.gov and Interact on August 24, 2023.

Q&As
Additional rounds of responses to questions received by the Q&A deadline (July 14, 2023) submitted by industry regarding the OASIS+ RFPs will be released by September 1, 2023 via SAM.gov and Interact. The RFP Q&A period is closed; however, if you have a question or comment that you would like to bring to the Government's attention, please send your concerns and/or questions to OASISPLUS@gsa.gov.

GSA Interact Blog Post [click here]

Additional OSP/Symphony Webinars
GSA is committed to ensure all offerors have information they need to successfully upload proposals in the OSP system. Beginning the week of August 21, 2023, PSHC will host optional weekly OSP webinars to review frequently asked questions from the previous webinars and surveys. Webinars will be recorded and posted on SAM.gov and Interact. Click the link(s) below to register.

Date: August 23, 2023
Time: 2-3:30 p.m. EDT
Registration: https://gsa.zoomgov.com/webinar/register/WN_e_WUhxM-TOSgRpbw7T2zyg

Date: August 30, 2023
Time: 2-3:30 p.m. EDT
Registration: https://gsa.zoomgov.com/webinar/register/WN_rbRclZlVQRq93ViyAvwOYQ

Date: September 6, 2023
Time: 2-3:30 p.m. EDT
Registration: https://gsa.zoomgov.com/webinar/register/WN_yP4bX0dmQoKKeXGMEwX5hw

Questions?

oasisplus@gsa.gov

Closing Participant Poll Results

Post Event Training Poll

Poll ended | 2 questions | 394 of 394 (100%) participated

1. Would you be interested in additional OASIS Submission Portal / Symphony training? If yes, which area specifically: (Multiple Choice) *

394/394 (100%) answered

Registration	(23/394) 6%
Pricing Module	(202/394) 51%
Document Uploading/Library	(155/394) 39%
My Company	(77/394) 20%
Projects/Past Performance	(274/394) 70%
Proposal Overview	(135/394) 34%
Dashboard	(68/394) 17%
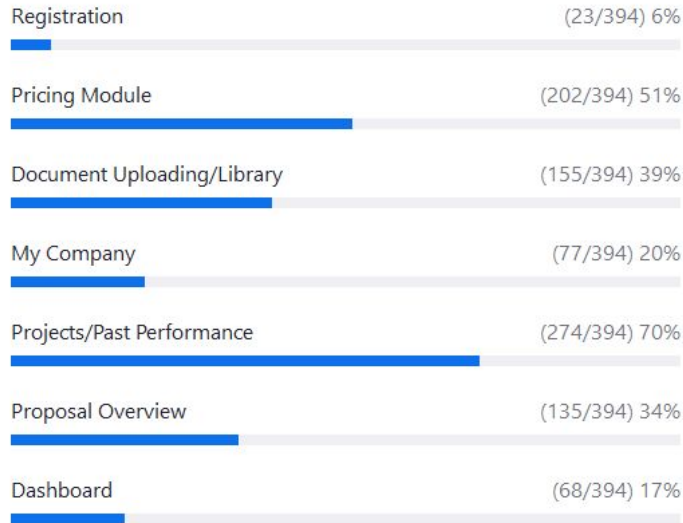

2. Please indicate your overall satisfaction with the demonstration (Single Choice) *

382/382 (100%) answered

Extremely satisfied	(62/382) 16%
Somewhat satisfied	(178/382) 47%
Neither satisfied or dissatisfied	(61/382) 16%
Somewhat dissatisfied	(67/382) 18%
Extremely dissatisfied	(14/382) 4%
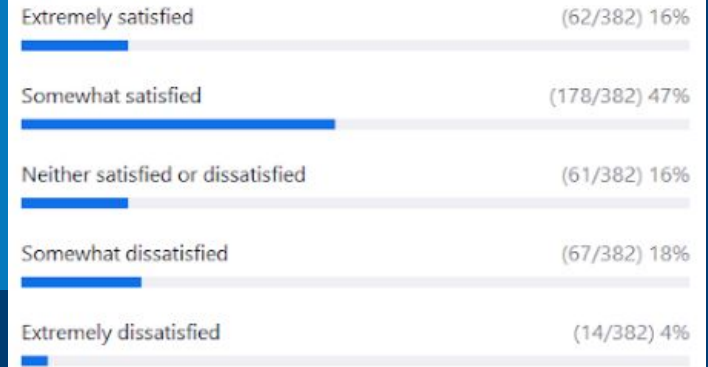

Backup Slides
(OASIS vs. OASIS+)

What is OASIS+?

- A suite of contracts that combines the scope of **OASIS**, Building, Maintenance & Operations (**BMO**) and Human Capital & Training Solutions (**HCaTS**) under one program

- Designed to support federal agencies' procurement requirements for **services-based solutions**

- Will enable federal customers to acquire innovative solutions from highly qualified businesses on a contract vehicle designed to be **Best-in-Class** (BIC)

- Access to **highly qualified contractors** of all sizes from multiple industries

OASIS+ Scope & Fair Opportunity Structure
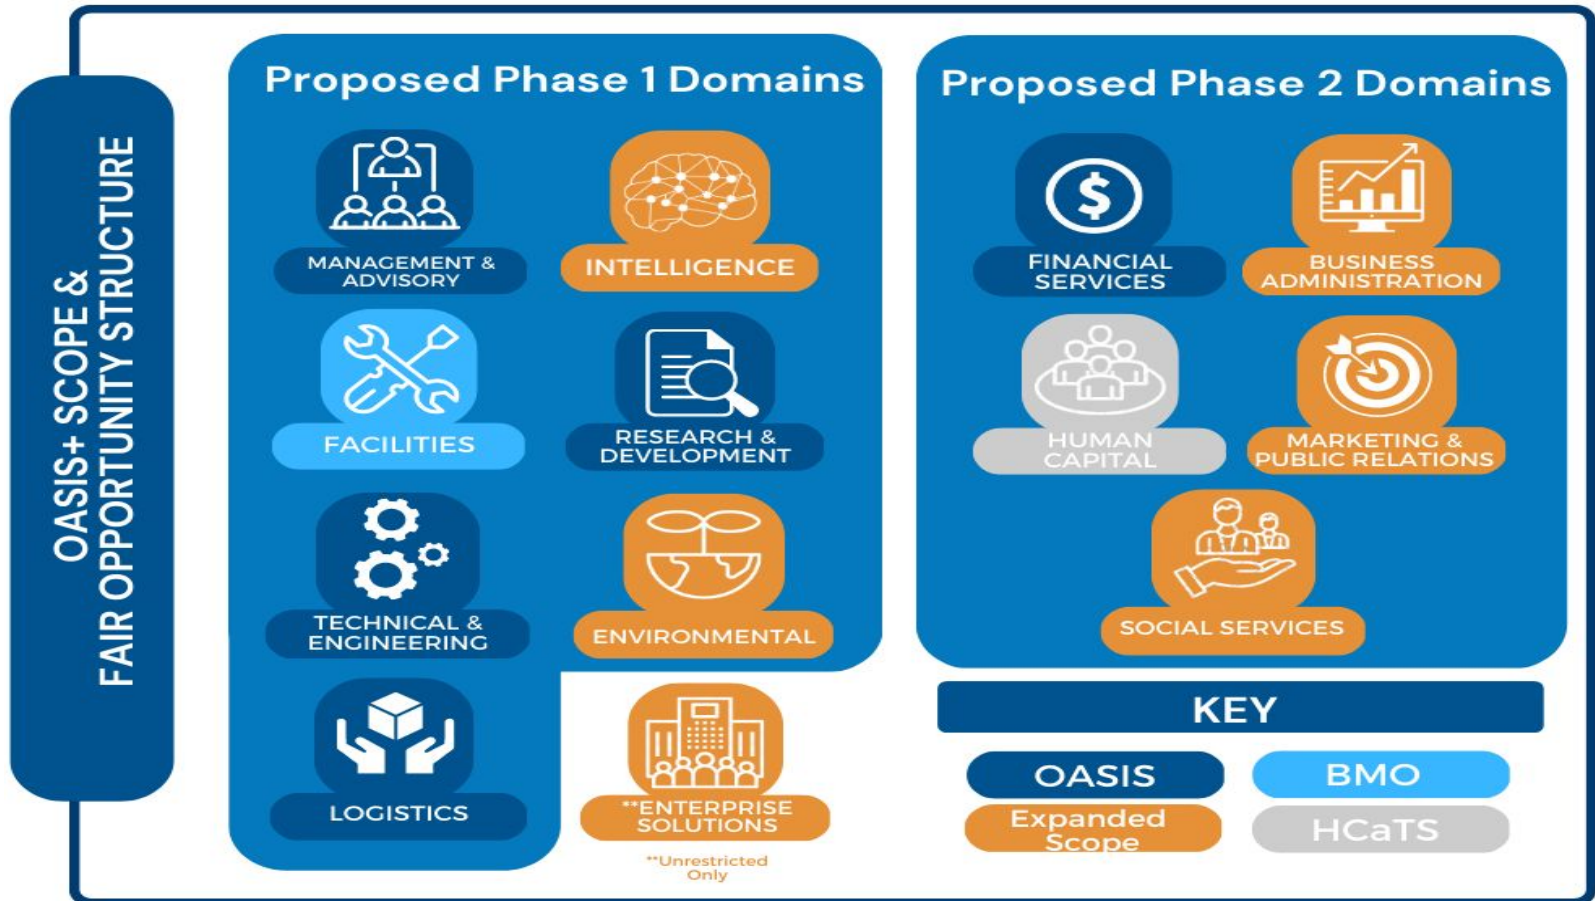

IDIQ Level Comparison - What's the same?

C.2.2 Technical and Engineering Domain

- Advanced technology pilot & trials
- Alternative energy sources & engineering
- Capabilities integration & development
- Communications engineering
- Configuration management
- Concept development
- Data analytics & management
- Design documentation & technical data
- Energy services to include management planning & strategies, audit services & metering
- Engineering (aeronautical, astronomical, chemical, civil, electrical, materials, mechanical, Etc.)
- Engineering process improvement
- Environmental engineering
- Human factors/usability engineering
- Human systems integration
- Independent verification & validation
- Integration support
- Interoperability
- Life cycle management
- Mission assurance
- Modeling & simulation
- Operation & maintenance or direct support of an existing weapon system or major system

- Operational test & evaluation
- Optical engineering
- Program analysis
- Quality Assurance
- Radar engineering
- Red Teaming & wargaming
- Requirements analysis (technical)
- Risk management
- Scientific (non-R&D) analysis & support
- Software development (for IT services involving 40 USC § 11103 (a) activities)
- Surveying and mapping (except Geophysical) services
- System design & integration
- System effectiveness & analysis
- System engineering
- System safety engineering
- System security & information assurance
- System verification & validation
- Technical assessment, data management, & planning
- Technical documentation
